OUR MISSION

**“Nurturing Kids to Grow and
Strengthening Families to Thrive.”**

A SUCCESSFUL BEGINNING

Family Care KIDS offers an early childhood learning center for children ages six weeks to five years old. We are a licensed preschool with educated, loving teachers who profess a faith in God.

Our approach begins with a firm belief that each child is uniquely created by God and each family is shaped by their culture, beliefs, community and experiences.

OUR COMMITMENT

Our preschool is equipped to help your child transition successfully into kindergarten through HighScope Curriculum planning and COR Advantage developmental observations.

This combination for your child's development and learning is considered a gold standard in our industry.

WHAT A DAY AT FAMILY CARE KIDS LOOKS LIKE

Your children will have a safe place to play while learning important life skills. Our teachers will encourage each child to think further and “dive deeper” into their adventures through play.

Daily routines to guide children through the wonders of God's beautiful world includes:

Drawing	Water Play	Pretending
Painting	Laughing	Literacy/Language
Music	Climbing	Constructing/Building
Singing	Math/Science	Exploring
Movement	Technology	Expression
Dramatic Play	Engineering	Socializing

We strive to build empathy and self-confidence in every child so they may flourish and succeed!
